

## **Music Hall Committee Update December 2009**

Even though 2009 has not yet finished, preparations are being made for Music Hall 2010! I am pleased to announce that the following directors have been named for next year's show:

**Overall director:**           **Leeann Jones**

**Segment directors:**       **Robyn Schubert**  
                                      **Sandy Przibilla**  
                                      **Anthony Hodgen**

**Children's director:**       **Maxine Kiddie**

**Comedy director:**           **Grantley Hughes**

There are some new names appearing in these roles this year so I look forward to some different approaches and innovative ideas. I am sure that they will put together a great show.

We are also fortunate enough to have all the band members back again next year, as well as many of our "behind the scenes" contributors. We need you all to make the show successful!

There are a number of new faces on the Rotary Club Music Hall Committee, myself included. Those of us who are new will benefit from the considerable experience of other members and I am sure that, as a group, we will be able to provide the Music Hall with a solid organizational base.

There are three community representatives on the committee this year – Tarn Scott, who is in her second term, and has vast Music Hall knowledge; Elsie Beinke, a regular contributor in the cast; and Ellie Millard, who has participated in children's and adult segments, as the Young Community Representative. The other committee members are Mike Bristow (Rotary President), Annie Jager, John Bruce, Kay Matulick, Sue Piggott and Liz Connolly (Rotary President Elect).

The committee is always open to ideas and suggestions so feel free to approach any of us to have your say!

I will be providing you with more updates on Music Hall 2010 in the near future.
